Objective:

Be a part of an effective team. My diverse background has given me many skills that I can contribute toward that end and demonstrates my curious nature.

Experience:

Material Handler - CH Reynolds Electrical Inc.
Sept 2016 to March 2022 1281 Wayne Ave. San Jose, CA
408-436-9280. 95131

Receive deliveries of electrical parts on the Job Site. Compare shipped items with the order request from the foreman in the field and track discrepancies then deliver the correct material to the crew.

Model Builder - Environmental Science Associates
1995 to 2016. 550 Kearny Street / Suite 800 SF, CA
415-896-5900 94108-2512

Constructed scale models of proposed developments tested in the UC Davis Wind Tunnel. Results were published in the Environmental Impact Report to the City Planners to get approval for their project.

Manager on Duty - Hotel de Anza
2001 to 2015 233 West Santa Clara St San Jose, CA
408-286-1000 95113

Enforced hotel policy at the Front Desk to a crew of 3-5 people and ensuring smooth operation between Departments: Housekeeping, Engineering, Sales and Valet. Safety and Security were the highest priority.
