- American Institute of Baking

Certificate of Completion

Completed in 1995

About Me

Leveraging years of passionate customer service with my new found passion for coding I bring heart to any team I work with. People are what business is all about and I derive great satisfaction in working with them to achieve their goals.

Professional Experience

CH Reynolds | Material Handler

2016 - 2022

Key responsibilities:

- Using an Iphone, I took photos of delivery invoices and sent the images to the Foreman via email allowing me to track deliveries
- Document order discrepancies and alert the Foreman using Invoice photo's and email.
- Track missing items from orders received and follow up to with my Foreman to ensure we get all items we ordered
- Document damage to items received during shipment using photos and email
- Organise the material laydown in a way that items could be found by the crew.

Hotel de Anza | Manager on Duty

2001 - 2016

Key responsibilities:

- Ensure a high standard of customer service was provided
- Enforce hotel policies in regards to both staff and guests
- Document incidents thoroughly using images and detailed descriptions using Microsoft Word and Outlook to distribute the reports to the GM and Front Office Manager.

Environmental Science Associates | Model Builder

1995 - 2016

Key responsibilities:

- Construct scale models of proposed buildings in San Francisco that were tested in UC Davis Turbulent Layer Windtunnel
- Ensured accuracy of project models to within .05in
- Document model completion using Google Doc and Apple Pages
